

BODEGAS AGUIRRE

2005 ESTATE DUO

Our vineyards are carefully managed and pruned for yields of under 4 tons/acre. We blended equal amounts of CABERNET SAUVIGNON and MERLOT to produce this fruit forward wine with cherry-framboise flavors and fresh aromas with a long finish and subtle oak notes. Kept for 15 months in French and American oak barrels, it will develop more complexity by 5-7 years of additional cellaring.
